**ICCFA, WILBERT AND PIERCE MORTUARY COLLEGES PARTNER TO OFFER
LIVE STREAMING CREMATION TRAINING**

STERLING, VA (November 1, 2017) – The International Cemetery, Cremation and Funeral Association has partnered with Wilbert and Pierce Mortuary Colleges to bring the ICCFA Cremation Arranger and Crematory Operator Certification Programs to a computer near you!

If you want to learn how to operate a crematory retort properly and effectively, better serve and satisfy your cremation families, limit the liability for you and your company and improve your productivity and profitability, then you will want to take advantage of this opportunity to attend ICCFA's live-streamed cremation training. No travel required!

On December 12 and 13, 2017, this live, interactive cremation certification training will happen via GoToWebinar, so you or anyone from your business can attend from anywhere you have an internet connection. While these courses will be live-streamed, they may also be attended in person at the Wilbert Group, 2913 Gardner Road, Broadview, IL, 60155. The training will take place from 9 a.m. to 5 p.m., CST both days, with Cremation Arranger training taking place on Tuesday, December 12, and Crematory Operator training on Wednesday, December 13. These courses are good for Continuing Education and Operator Certification, with

up to 15 hours of CEU credit approval pending. You can choose to take just one day or both, depending on your schedule.

For more information and to register for the live stream or in-person training, visit <https://iccfa.com/cremation-certification/>.

Founded in 1887, the International Cemetery, Cremation and Funeral Association is the only international trade association representing all segments of the cemetery, cremation, funeral and memorialization profession. Its membership is composed of more than 8,900 rooftop locations and 15,000 professionals in the cemetery, funeral home and crematory industries, as well as supplier and related businesses worldwide.
