These strategic enhancements are designed to make the 2025 ICCFA Experience exceptional and tailored to your needs.

By committing early, you'll gain access to our comprehensive communication and marketing channels, offering your company maximum visibility. We also look forward to partnering with you on a range of sponsorship opportunities. We can't wait to welcome you to Las Vegas, Nevada, for this highly anticipated event in 2025!

Sincerely,

Booth Regulations

Non-Corner Booths

Non-corner booths, shown at right, have only one side exposed to an aisle and are generally arranged in a series along a straight line. They are also called "in-line" booths.

Non-corner booths are 10' wide by 10' deep. A maximum back wall height limitation of 8' is specified.

Regardless of the number of non-corner booths utilized (e.g. 10'x20', 10'x30', 10'x40', etc.), display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8' is allowed only in the rear half of the booth space, with a 4' height restriction imposed on all materials in the remaining space forward to the aisle. (Note: When three or more standard booths are used in combination as a single exhibit space, the 4' height limitation is applied only to that portion of exhibit space which is within 10' of an adjoining booth.)

Non-Corner Booth

Corner Booths

A corner booth is like a non-corner booth except that it is exposed to aisles on two sides. All other guidelines for non-corner booths apply.

End-Cap Booths

An end-cap booth is exposed to aisles on three sides and composed of two booths. End-cap booths are generally 20' wide by 10' deep. The maximum back wall height limitation of 8' is allowed only in the rear half of the booth space and within 5' of the two aisles with a 4' height restriction imposed on all materials in the remaining space forward to the aisle.

End-cap Booth

Island Booths

An island booth is four or more standard booths exposed to aisles on all four sides. It may or may not have a second story.

An island booth is typically 20' x 20' or larger, although it may be configured differently. A maximum height of 16', including signage, will be permitted. Sufficient see-through areas must be provided to prevent blocking views of adjacent exhibits.

Note: Flooring is mandatory.

Rules of the Experience

Necessary regulations for the proper conduct of the exhibits as set forth herein are not considered all-inclusive, nor are they deemed or considered to be exclusive of such other reasonable rules and regulations as may or might become necessary to properly conduct this experience. Such timely regulations and decisions, as shall be necessary in addition to the following, shall be at the discretion and judgment of the ICCFA's Executive Director, whose decisions and rulings shall be final in all cases, in addition to those explicitly enumerated herein. By signing the space application, the exhibitor agrees for itself and its representatives to abide by all such rules and regulations as well as the decision of the The ICCFA Experience management and the ICCFA Executive Director in interpreting the same.

ACTS OF GOD: The performance of this agreement by either the ICCFA or the exhibitor is subject to acts of God, war, terrorism, government regulation, disaster, strikes, civil disorder, curtailment of transportation facilities or other emergencies making it inadvisable, illegal or impractical to provide the facilities or to hold The ICCFA Experience. It is provided that this agreement may be terminated for any one or more such reasons by written notice from one party to the other without liability.

AFTER-HOURS ADMISSION TO THE EXPO HALL: During show days, exhibitors are required to wear badges and may enter the hall one hour prior to the scheduled opening time of The Experience and exhibit activities and remain one hour after the scheduled closing time. Access to the exhibit hall at all other times must be approved by the ICCFA Executive Director or a representative.

BOOTH GUIDELINES: If an exhibitor is using its rental space in a manner that is detrimental to the association, The Experience, or infringes on the rental of space by other exhibitors (including sight observation, soliciting products or services outside of the booths assigned, excessive noise, heat, light or pollution emanating from exhibits), or if an exhibitor's display is not in keeping with the character and purpose of the show, the association, through its Executive Director, reserves the right to request corrective action. If an exhibitor is unable or refuses to comply with this request, the association reserves the right to cancel the use for that space, or bar from the exposition hall that exhibit or any part of that exhibit, person or thing, and to remove the exhibit from the exposition hall. In the event that such action is necessary, the exhibitors shall forfeit all money paid or due the association for rental of the booth space.

CHILDREN: Children (minors under the age of 18) are not allowed on the exhibit floor during setup or tear down of exhibit booths.

CANCELLATION OF BOOTH SPACE: The exhibitor shall give the ICCFA written notice of intention to cancel or withdraw from The Experience. In the event that notice is received by January 17, 2025, the exhibitor will receive a refund, except for the \$500 per booth deposit, which is non-refundable. In the event that notice is received after January 17, 2025, no refunds will be made and the canceling party will be liable for the entire rental fee in the event that the association is unable to resell the space(s). Under no circumstances will the \$500 per 10x10' booth deposit be refunded.

CANCELLATION, INTERRUPTION, OR POSTPONEMENT OF THE EXPERIENCE: In the event that the experience is canceled, interrupted or postponed due to any occurrence not occasioned by the conduct of the ICCFA, whether such occurrence be, but not limited to, an act

of God, or the result of war, terrorism, riot, civil commotion, strikes, sovereign conduct or by any other cause, or if circumstances make it impossible or impractical for the ICCFA to permit any exhibitor to occupy the premises, the ICCFA shall make a good faith effort to adjust the rental fee for space based on the period of time the space was or could have been occupied by such exhibitor, and the ICCFA is released from any and all claims for damages which may arise in consequence thereof.

CARE OF BUILDING: No exhibitors shall allow any article to be brought into or any act done on the premises that will increase the premiums on or void the policies of insurance held on the building, or injure or deface any part of the building, or permit anything to be done by its representatives or employees by which the premises shall in any manner be damaged, marred or defaced.

EXHIBITOR REPRESENTATIVES: Exhibitors will be provided identification badges in accordance with exhibitor experience registration policy. Badges will not be transferable and will be required for admittance to the exposition hall. To be permitted entrance to the exposition hall, an organization or person(s) supplying goods and services to the cemetery, funeral service, cremation and memorialization industry must have contracted for booth space. Persons requiring badges to be re-printed for whatever reason will be responsible to pay a \$20.00 re-print fee prior to entering the exhibit hall. Non-exhibiting firms and/or persons will not be permitted to conduct promotional or sales activities in the exposition hall. Anyone violating this policy will be escorted from the exposition hall and their registration credentials may be revoked.

FIRE REGULATIONS: Exhibitors agree to adhere to all exposition hall fire regulations in designing, setting up and operating their exhibit. Gasoline or other flammable materials shall not be permitted in the exposition hall unless essential to either display or exhibit. In no case shall gasoline or other flammables be stored in the halls.

FOOD AND BEVERAGES: The ICCFA will provide free food and beverage service at assigned food and bar stations throughout all exhibit hours. Exhibitors who wish to provide food and/or beverages within their booth may do so through the catering manager at the convention center. Outside food and beverages, including copious amounts of candy or give away treats, are not permitted within the hall.

FORCE MAJEURE: If any part of the Mandalay Bay Casino & Resort is destroyed or damaged by any cause, that renders the holding of this experience impractical, the performance of this agreement is excused. However, exhibitors shall be liable for all fees due under this agreement which have accrued as of the time of termination. However, if such lack of performance is due to the acts or omissions of any exhibitor, then the party responsible for such acts or omissions shall be liable for the full amount hereunder in addition to charges for related claims and damage. The exhibitor hereby waives any claim for damages or compensation from the ICCFA, the Mandalay Bay Casino & Resort on account of such termination.

FERN EXPO CO. SERVICE CENTER: A Fern Expo Co. representative will be available at the service desk during move-in and move-out times, all show hours as well as one hour prior to and one hour after the scheduled show hours, to address questions regarding orders and other services.

HANGING SIGNS AND OTHER MATERIALS: Exhibitors wishing to hang signs or other materials over their booth(s) must submit a written request to the attention of ICCFA's show manager and Fern Expo Co. for

Rules of the Experience (cont.)

approval thirty (30) days prior to The Experience.

INSTALLATION AND DISMANTLING: Exhibitors will be permitted to begin assembling their exhibits at 1pm on Tuesday, April 29, 2025. In all cases, booths must be substantially set up by 6pm on Wednesday, April 30, 2025, for inspection by the ICCFA Executive Director and/or the designated experience manager to ensure compliance with the rules and regulations set forth in this prospectus.

In the event an exhibit has not been properly set up by that time, the ICCFA reserves the right to remove unsightly materials or to cover them in an appropriate manner at the exhibitor's expense. Exposed unfinished sides or exhibit backgrounds must be draped to present an attractive appearance. The exhibit will be inspected during the set-up time and the decorator, with the approval of the show manager, will provide draping as deemed necessary. Any charges incurred will be the responsibility of the exhibitor. No set-up will be permitted during experience hours. Exhibitors who plan to hire the services of another exhibit service firm (other than the official service contractor, Fern Expo Co.) must abide by the following rules:

1. They must notify ICCFA by March 28, 2025, of the name, address and telephone number of the service firm, and the name of the supervisor in attendance.
2. The service firm must notify ICCFA by March 28, 2025, of the names of all exhibiting companies for which it has orders and the names of all employees working on the show, and furnish proof that adequate insurance is maintained to cover possible liabilities.
3. Upon arrival at The Experience site, service companies must check in at the exhibitor registration booth to receive permits to work on The Experience floor. The unpacking, assembly and dismantling of displays and equipment may be done by employees of the exhibiting company.

Fern Expo Co. will have skilled craftsmen available to perform these services if needed. Arrangements for all temporary labor should be made through Fern Expo Co. Official labor order forms are included in the Exhibitor Service Kit.

DISMANTLING: All exhibits must be removed from the exhibit area by the exhibiting company at its own expense no later than 12 P.M. on Saturday, May 3, 2025. If an exhibitor fails to remove its exhibit on this day, the ICCFA may remove such exhibit to a storage warehouse at the risk and expense of the exhibitor, who shall pay any damage or expense incurred by the association in removing the exhibit. No exhibit or part of an exhibit may be removed from the space allocated during the period of The Experience, except in cases of extreme necessity. Permission for such removal must be obtained from the ICCFA Executive Director or a designated representative. Any exhibit torn down prior to official closing time without permission from the ICCFA Executive Director or a designated representative will not accrue points for the current year.

INSURANCE: Exhibitors must make provisions for the safekeeping of their goods before, during and after The ICCFA Experience. Neither the ICCFA nor the management of the exposition hall shall be responsible for any injury which may occur to an exhibitor or its representatives or employees, nor for the safety of any exhibit or other property against robbery, fire, accident or any other destructive cause. Insurance, if desired, shall be taken out by the exhibitor, who hereby agrees to hold the ICCFA harmless and free from all damages or liabilities of any kind.

LIABILITY: The exhibitor, on its own behalf and on behalf of its employees and agents, assumes entire responsibility and hereby

agrees to protect, indemnify, defend and save the ICCFA, the Mandalay Bay Casino & Resort, the official service contractor and their employees and agents harmless against all claims, losses and damages to persons or property, governmental charges or fines, and attorneys' fees arising out of or caused by exhibitors' installation and removal, maintenance, occupancy or use of The Experience premises or part thereof, excluding any such liability caused by the sole negligence of ICCFA, the Mandalay Bay Casino & Resort, the official service contractor, their employees and agents.

In addition, the exhibitor acknowledges that the ICCFA and the Mandalay Bay Casino & Resort do not maintain insurance covering exhibitor's property and that it is the sole responsibility of the exhibitor to obtain business interruption and property damage insurance covering such losses by the exhibitor. All exhibitors are encouraged to obtain all risk coverage. This can be done by riders to existing policies, often at no extra cost.

OUTSIDE EXPERIENCE AND ACTIVITIES: During scheduled activities, the exhibitor agrees, subject to expulsion from the show and its firm from experience functions and activities, not to exhibit its products or services or to directly promote or otherwise exploit its company, products or services outside the exposition hall. Exhibitor also agrees not to entertain attendees during The Experience or program hours in a rental function room, hospitality suite or other rented facility, or otherwise induce attendees away from the show or scheduled experience events.

PAYMENT SCHEDULE: Each application for exhibit space must be accompanied by a non-refundable deposit of \$500 per each 10x10 booth space and received by November 27, 2024, to be eligible for assignment under the cumulative point system). If the balance on the booth payment is not received by February 21, 2025, the ICCFA reserves the right to charge it against a credit card on file. Failure to pay the rental fee in full by this date will result in an automatic cancellation of this agreement. Under no circumstances will an exhibitor be allowed to set up an exhibit unless full payment of the rental booth(s) space has been received.

PHOTOGRAPHY/VIDEOGRAPHY: No photography or videography will be permitted in the exhibit hall except by pre-approved members of the trade press and the official show photographer, who will be identified as such by their badges. Unauthorized cameras, as well as electronic devices such as cell phones that are being used to take photographs, will be removed from the hall.

PROTECTION OF EMPLOYEES AND PROPERTY: Exhibitors agree to release and to protect and hold harmless the ICCFA and its officers, directors and employees from any and all claims for damages, suits, etc.; for injuries to themselves, their representatives or employees; and for damage to property in their custody, owned or controlled by them, which claims for damages, suits, etc., may be incident to, arise from, grow out of or be connected with their use or occupation of space.

PROTECTION OF THE PUBLIC: Exhibitors must protect machinery and exhibits to ensure that no injury will result to the public, visitors, guests, employees or any other person or property. Exhibitors agree to protect and hold harmless the ICCFA and its officers, directors and employees for any and all claims which may result on account of injury, loss or damage sustained upon the space occupied by the exhibitors respectively, or on account of machinery and property under the

Rules of the Experience (cont.)

control of such exhibitors or on account of negligence of exhibitors, their representatives, employees or agents.

SECURITY SERVICE: The ICCFA will provide security on a 24-hour basis beginning at 8am on Tuesday, April 29, 2025, but neither the association nor the Mandalay Bay Casino & Resort will guarantee the exhibitors against loss or assume responsibility for fire, theft or other damage of any sort.

SOLICITING BY NON-EXHIBITORS: Soliciting in any manner within the exposition hall by any supplier, individual, group, company or firm, within or outside the industry, is strictly forbidden unless said person, group or firm has received permission from the ICCFA. Any person, group or firm that has received permission but is found soliciting in the exposition hall or elsewhere in The Experience hotel will be required to forfeit their Experience badge(s) to the association and will be barred from the exposition hall, from all meeting and function rooms and other areas being used by the association, and from all official activities of the Experience. Those forfeiting Experience badges will not be entitled to refunds of any registration fees or other monies paid to the association.

To be permitted to conduct promotional or sales activities in the exposition hall, an organization or person(s) supplying goods and services to the cemetery, funeral service, cremation and memorialization industry must have contracted for booth space. Non-exhibiting firms and/or persons will not be permitted to conduct promotional or sales activities in the exposition hall. Anyone violating this policy will be escorted from the Hall and their registration credentials revoked.

SUBLETTING SPACE: No exhibitor shall assign, subject or apportion the whole or any part of the space allotted to it, nor exhibit therein, nor permit any other person or party to exhibit therein, any goods other than those manufactured or handled by the exhibitor in the regular course of its business.

SPANNING AISLES: No exhibit will be permitted to span an aisle by ceiling or floor covering.

UNOCCUPIED SPACE: The ICCFA reserves the right to rent to any other exhibitor previously rented but unoccupied space after 8am on Wednesday, April 30, 2025, on the opening date of The Experience. Moreover, this clause shall not relieve the exhibitor who contracted for the booth space of the financial obligations to pay the full amount, or any portion thereof, of said rental fee, in the event that the ICCFA is unable to rent the space at the same rental rate as agreed to by the entity originally assigned the space.

USE & CARE OF THE EXHIBITOR'S SPACE: Exhibitors agree that all products to be displayed are suitable to the cemetery, funeral service, cremation and memorialization industry. Booth space will be used only for display purposes and soliciting in the aisles will not be permitted. Each exhibitor shall care for, keep in good order and surrender the space occupied by it in the same condition as it was at the commencement of the occupation, ordinary wear expected. Daily maintenance is the responsibility of the exhibitor and not included in the cost of booth space. Vacuuming service may be ordered through Fern Expo Co.

A Few Things Before You Go

Our Selection Process

Exhibitors accrue five points for their first booth rented each year and one additional point for each booth rented in excess of one per year. Exhibitors accrue one point for each table on display utilized at ICCFA's former Cemetery Operations & Maintenance Conference and The ICCFA Experience.

Points are awarded for advertising placed in *Memento Mori* as follows: 2 points for ads larger than ½ page, 1 point for ads ½ page or smaller; 2 points for a one-year banner ad on the ICCFA website (www.iccfa.com) and ½ point for each three-month banner ad in the ICCFA *Wireless* e-newsletter. Advertising points accrued during the 12-month period of December 2023 through November 2024 will be credited toward the 2024 point system. The ICCFA also recognizes our sponsors with points, at a rate of ½ point per \$1,000 in sponsorship or charitable donations towards the ICCFA, beginning with sponsorships and/or charitable donations towards the ICCFA contributed since 2008.

Booth assignment points will be credited only to the entity or person that earned the points and cannot be shared with or assigned to another entity or person. A person or entity owning more than one operation or organization may apply for and rent booth space under its own name and permit its component organizations or entities to use that space. However, the point total used for assignment of space will be based solely on the points earned by the owning or controlling person or entity and will not include points earned by its components or members.

Identifiable components may apply for and rent space under their names, rather than the name of the person or entity controlling the component, and have assignments made based on the component point total. If two entities merge or combine, the surviving organization or operation will receive the higher of the two-point totals, but not the combined totals.

Attendee Lists

Pre-Registration Attendee list will be emailed on Wednesday April 2, 2025 to the exhibiting company. The List Renter shall not copy, store or reproduce the rented ICCFA list in any manner or medium, nor allow such action to occur, nor transfer the rented list to any other entity or person except for the purposes of the one-time mailing. All use or reproduction outside that approved for the one-time mailing is strictly prohibited. Violators of this provision will be subject to suit for damages, and all further list rental requests will be denied. A Post Experience Attendee list will be emailed to the exhibiting company on Monday, May 19, 2025.

Suitcasing/Unauthorized Solicitation Policy

Please note that while all suppliers are invited to the 2025 ICCFA Experience, any supplier registrant who is observed soliciting business in the aisles or other public spaces, in another company's booth, or in violation of any portion of the Exhibition Policy, will be asked to leave immediately. Additional penalties may be applied including denial of participation at future ICCFA events. Please report any violations you may observe to ICCFA staff. ICCFA recognizes that "suitcasing" may also take the form of commercial activity conducted from a hotel guest room or hospitality suite, restaurant, club, or any other public place of assembly. For the purposes of this policy, "suitcasing" violations may occur at venues other than the exhibition floor. ICCFA must be informed of any hospitality suites, or other venues used for commercial activity in advance of its show, and expressed consent must be received prior to the event.
