

# Volunteer Opportunities

To help make the most out of your membership, consider making a few hours available this year to be involved with an ICCFA committee or volunteer opportunity. To volunteer for any of these ICCFA activities, simply check the appropriate box(es) and return to Cindy Hinton at [cindy@iccfa.com](mailto:cindy@iccfa.com). Once your form is submitted it will be passed on to the committee(s) selected and your information will be reviewed. A final determination will be made within 90 days. Please note that some committees may already be full and you will be notified.
